The authors wish to make the following corrections to this paper [1].

**Error in Figure**

In the original article, there was a mistake in Figure 4 when published. The diagram in Figure 4 has been duplicated; the bottom diagram is the correct schematic diagram. The corrected Figure 4 appears below. The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected. The original article has been updated.

Figure 4. Schematic of drop tube furnace.
