

## Appendix 9

### BNC Concordance lines for /st/

Note: In this sample of concordance lines, the corpus software has included a small number of onset /stɪ/ words. However, as the present study tests the association between onset /st/ words and <<strength and stoicism>> (/stɪ/ being, in principle, the prosody associated with <<straightness>>), I exclude any /stɪ/-<<strength and stoicism>> words from the corpus analysis.

, is desirable but not essential. A high	standard	of literacy, however, will be required.
